## CSE Graduate

### Personal Profile

I am a Computer science graduate who is currently looking for an organization where I can give my 100% to prove my ability and improve my skills. My passion is about Web Development and I have done a couple of self-made projects. In short, I am reliable, hard-working with strong attention to detail and eager to learn about new technologies.

### Educational History

Bangladesh Army University of Science & Technology

BSc in Computer Science and Engineering | 2016 Nov - 2021 Mar
